Social Justice Certificate & Alternative Settings Placement

Explore the many different ways to teach social justice – in and outside of the classroom – from a variety of different perspectives!

- Dynamic, interactive workshop and discussion series
- Strategies and tools for leading conversations on decolonizing education, anti-racism, anti-oppression, poverty, Indigenous education, critical education, environmental justice, gender and sexuality, and more
- Community placements
- Collaborative and supportive educator network
- Inclusive, accountable, and accessible learning space

THIS OPPORTUNITY IS OPEN TO

- Bachelor of Education Students
- Teaching Education Stream Students
- Community Educators/Students Interested in Community Education
